Through Purpose

This is USL . . . "a united people with a united purpose." Apathy was not the sentiment of the USL student body. In 1970, we students put aside our individual concerns and our introversion to unite to fight for more financial support. Again this same year, we united to fight against destruction of our environment. We proved that we could unite.

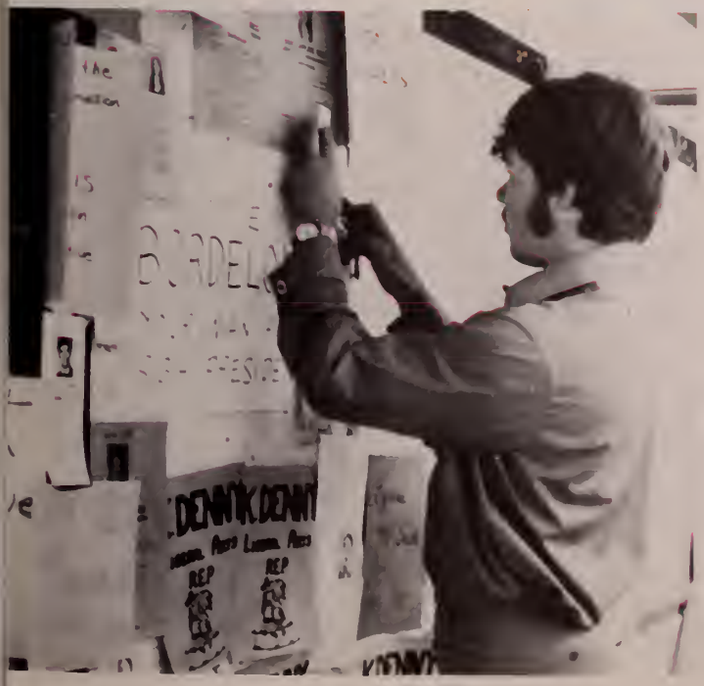

. . . Politics

Politics bring only discord . . . or so it seems. But through all the campaigning, we made friends. When the victors were announced, we had new ambitious leaders to give the campus unity.

Right: Jae Gaadsan was cangratulated an his electian as SGA president. *Belaw:* Jae Gaadsan and Glenn Menard cangratulated each ather belaw campaign pasters. *Far right:* Kay Mantgamery gat inta the spirit af campaigning. *Far lawer left:* Our campus shawed na apathy as any and all students jained in campaigning. *Far lawer right:* Gadfrey White anxiausly awaited results af the SGA electians.

. . . Achievement

We succeeded! The hours of work were trying and time-consuming, but we finally achieved our goal. Not one of us gained achievement alone. This unity in our success was very sweet.

Right: Micrabiology students Thamas Beasley and Rabert Druilhet prepared on experiment befare lob class. *Belaw:* Dr. Clyde Raugeau laaked on as ROTC cadets were hanored. *For right:* Petraleum engineering students, fram left, Giroir Moughemian, Clyde Landry, Ali Vassigh, Ranald Meaux, and Willord Capdeveille, examined ail rig equipment. *Far lawer left:* Architecture students, fram left, Fronk Herdlisko, Richord Kellogg, Dovid Becnel, Llayd Hohn, Ronald Gautreoux, worked on on assigned art project. *Far lawer right:* Administrative officials led the procession ot graduate exercises.

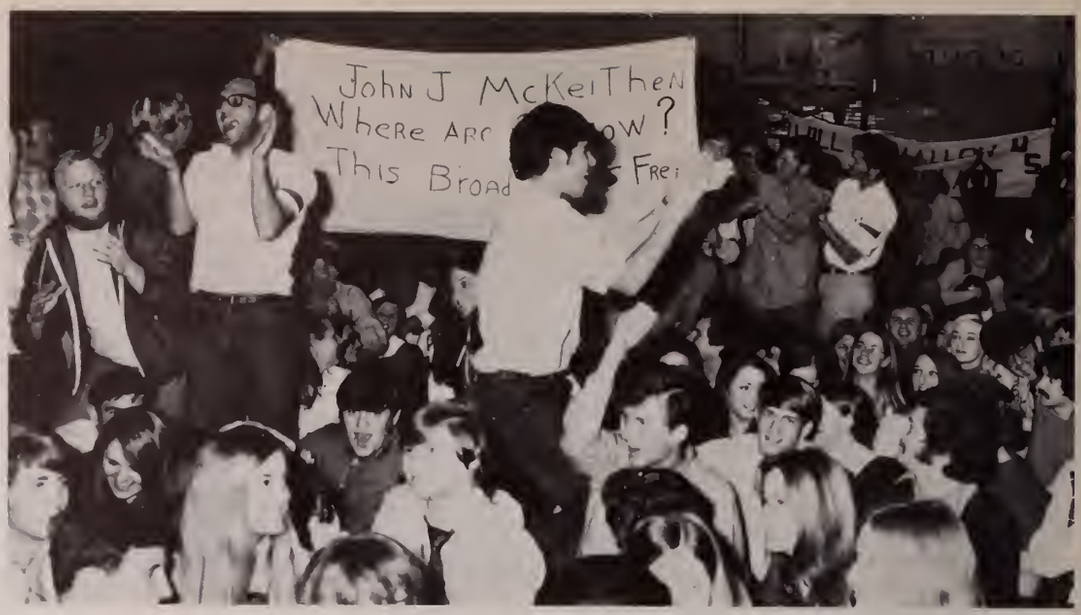

. . . Creation

"In the beginning there was light . . ." the light of creation. We saw our dreams grow. We molded them, watched over them and were united as we saw the flowers bloom and the painting take shape.

Extreme left: Larry Jones inspected flawers far decay. *Far left:* James McInnis repaired an engine during mechanics class. *Immediate left:* Alexis Miller and Jim Brown were given a chance ta express their ematians thraugh dance. *Immediate belaw:* Haward Carmier checked the canditian af an incubatar. *Belaw:* Ken Verret began a painting for art class.

. . . Spirit

They needed us and we knew it. United and excited, we placed our pride on the line and yelled ourselves hoarse. We did not always win but we gained even more by just sticking together.

Far upper left: Students shawed their spirit at the rally held far mare financial suppart far USL. *Extreme left:* Hamecaming banfire helped the spirit af aur student bady reach a climax. *Far lawer left:* Judy Gallagher and Terry Labat cheered an the Bulldags. *Immediate left:* USL's cheerleader Pam Lapez helped baast the spirit af aur students at all faatball games. *Immediate belaw:* Cypress Lake spread a unique spirit aver aur campus. *Belaw:* Even when it rained, we USL students supparted aur track team.

. . . Communication

We listened to each other, at times not understanding, at times disagreeing. We knew we needed each other. We needed to experience others' thoughts and feelings. Honest communication was a key to our unity.

Right: Mike Taylar and Barbora Broussard prepared sound equipment far use in the Sauthwestern Players' praductian af "Luv." *Belaw:* High schaal students participating in Engineering Day at USL were shawn variaus aspects af the engineering department by Dan Hebert, left, ond David LeBlanc, right. *Far right:* Our compus pravided students with a chance ta cammunicate apenly. *Extreme right:* Rally student leoders Edgor Jordan, Anna Williams, Joe Goodson ond Ed Gauthier bridged the communication gop between university afficials and the students. *Far lawer left:* Beth Johnson and Richard Davis discussed callege life during a break between classes. *Far lawer right:* Cammunicatian played a majar rale in compoigning an aur campus.

TIME

. . . Drama

The house lights went off. We became Lancelot or Die Fledermaus or Harry. We could all put ourselves in a part at the same time. We were one as an audience, as the actors evoked laughter, melancholy, or suspense. The house lights went on. We became ourselves again, but we left the auditorium feeling a little closer to each other.

Far left: USL's Opera Guild produced "Die Fledermous" ot the Lofayette Auditorium. *Far left below:* Rickey Melebeck as "King Arthur" knighted Carl Walker while Ernie Vincent os "Pellinore" observed the USL Opero Guild's production of "Comelot." *Left:* Members of the USL speech department prepared the set for "Cafe Terrasse," o French TV series were, from left, Golen LoBouve, Ernie Vincent, and Donn Knopp. *Below:* Suson Bing, Robert Richordson, and Rondoll LoBry performed in the Southwestern Ployers' production of "Luv."

. . . Participation

Participating in the hard work and in the fun is one of the best aspects of college life. We were happy being united in group work that helped us to know each other and the university better.

Extreme left: Mary Janes enthusiastically participated at pep rallies. *Far left:* Participating in Earth Day pratests invalved many USL students. *Extreme lawer left:* Liz Key and Cheryl Braussard prepared backgraund praps far annual fashian shaw spansared by the USL Unian. *Far lawer left:* Dance members wha perfarmed in "Theatre af the Imaginatian" were *kneeling, fram left,* Wanda Dickey, Wendy Schuerch, Nancy Nichalsan, and Sherry Richard, and *tap raw, fram left,* Sharan Hudnall, Lynn Fagat, Randall LaBry, Jennifer Delahaussaye, and Bab Baker. *Left:* Charles Beazley and Curtis James participated in track. *Belaw:* Jane Blum taak part in milking cantest held during Aggie Day.

. . . Music

We were all nervous. We were familiar with the music, but could have never played it alone. Our love for music was enhanced by the joy of playing it together.

Immediote below: Dr. James Burke directed the USL orchestro during graduotion exercises. *Belaw:* Korl Bordelan, Jerry Greig, and Richard Owens performed during one of the USL summer band concerts. *Right:* Summer bond concerts were held outdoors. *Far lawer left:* Pam Bush and Brian Foreman entertained on the USL Union Caffee House Circuit. *Extreme right: First raw, left to right:* Lone Smith, Linda Boker, Cannie Moyer; *secand row, left ta right:* Gwen Willioms, Curtis Brown, Bob McDanner; *third raw, left ta right:* Marty Seither ond Roy Dugol, USL charus members, practiced before o performonce. *Extreme lower right:* USL charus members, practiced during class time.

. . . Fraternity

We were not really alone. We came to USL fearing isolation and loneliness in such a large university, but we soon became involved with and responsible for each other. Now we are confident in our unity through fraternity.

. . . Skill

We had really to work for it, but the skill we reaped was well worth the work. The guidance we received and the unity we felt working together were invaluable. We learned that it is not as important to be serious as it is to be serious about the important things.

Far left: Candy Warren, Lydia Lawney, Linda Talbert, and Rita Damingue procticed sofety measures with a tire in swimming class while Corol Roy used a borrel ond Michael Rhades a baat. *Far left below:* Mr. Charles Bernord shawed Sandra Ann Orebo how to run the slide projector. *Left:* Suson Bing, Bab Turner, and Ina Davis creoted praps for the Southwestern Players' praduction of "Luv." *Immediate belaw:* Liz Debaillan, Darathy Nerden, and Corol Broussord increased their skill at tennis. *Belaw:* Dennis Baudreoux checked equipment in the engineering deportment.

. . . Fun

It wasn't much of a keg, but we didn't need much of a keg to have a good time. Just being together and having no responsibilities was enough to unite us.

Right: Barbora Mowod ond Glenn Meche prepored props for the Opera Guild's production of "Comelot." *Below:* Students were free, uninhibited, and united at one of the many socials held by ond for USL students. *Far right:* Morgaret Coady, Borboro Butler and Ann Bodron enjoyed entertoinment provided by the USL Union. *Far lower right:* The onnuol crowfish boil provided fun and recreotion for Mike Anderson ond Bonnie Butler.

. . . Progress

Like the rapidly growing part of Louisiana, USL is also growing and building to keep pace. United by idealism and a commitment to change, USL planned and worked for progress on our campus, shown by a new stadium and a new Student Union.

ACADEMICS

Dr. Clyde L. Rougeou

"He really lives a full life" is an accurate description of Dr. Clyde L. Rougeou, USL president. Keeping him busy are the demanding duties of the presidency and of fatherhood. The university requires many hours of administrative duties and social duties of him. His nine children also are a great responsibility.

Qualifying Dr. Rougeou for both of these jobs are his service and leadership abilities. President Rougeou received his B.S. degree from U.S.L.; his M.S. degree from Texas A&M; his Ph. D. from the University of Minnesota. He is a member of Phi Kappa Phi, national honor society and many other organizations. Dr. Rougeou has truly helped to unify the students and the administration on the U.S.L. campus.

Left: Dr. and Mrs. Rougeou enjoy the Homecoming game. *Below:* Dr. Rougeou addressed a session of the State Board Of Education. *Bottom:* Nursery children and Dr. Rougeou enjoy Aggie Day exhibit.

Dr. Ray P. Authement

U.S.L. is fortunate to have such an experienced and dedicated person to serve as its Academic Vice-President. Dr. Authement brings to the university a career of teaching mathematics and of writing books on that subject. His experiences also include lecturing in Canada as well as America. Dr. Authement received his B.S. in mathematics from U.S.L. and M.S. and Ph.D. from L.S.U. Because of his interest and participation in so many campus activities, Dr. Authement is respected and liked by U.S.L. faculty and students.

Right: Dr. Authement listened intently to graduation ceremonies. *Below Left:* Dr. Authement and Mr. Bernard Crocker received a grant for the U.S.L. television station from Mrs. Jean Jones of Cable Television. *Below Right:* Dr. Authement and Mr. Frank Reeves of the first U.S.L. class received coffee from Miss Hulda Eroth at homecoming activities.

Allen St. Martin

One of the most responsible positions of administration is that of the Dean of Student Services. He is the coordinator of activities of all offices related to student services. Dean Allen St. Martin is well qualified for this position. A graduate of U.S.L., Dean St. Martin is a past president of the U.S.L. Alumni Association. Before his employment at U.S.L., Dean St. Martin served as supervisor of the Calcasieu Parish School Board.

Right: Dean St. Martin is well-knawn far his caaperatian with students. *Battam Left:* Raymond Blanca, Dean of Men. *Battam Right:* Curt Chatelain and David Hall serve as friendly aides ta the Dean af Men.

Raymond Blanco

An ability to handle difficult situations and yet to make friends easily is necessary for effectiveness as Dean of Men. Dean Blanco has handled both of these responsibilities effectively. The former coach has experience in interaction with men. With the help of Associate Dean of Men, J. B. Guillory, Leonard Kleinpeter, and Edwin Pratt, the Dean of Men's office operates efficiently in the interest of men students on campus.

Dean Mary Olive McPhaul

Dean Mary Olive McPhaul has won the confidence and friendship of many U.S.L. coeds. Dean McPhaul, along with her assistants, Sylvia Ross and Dee Dee Young, make an earnest effort to meet as many students as possible. Because of her friendliness and sense of humor, Dean McPhaul succeeds in helping many U.S.L. women adapt to college life.

Graduate School

DR. JAMES OLIVER, Dean

The growth of the Graduate School has been phenomenal — the Fall, 1970, enrollment was more than 375% of the Fall, 1965, enrollment. We offered graduate work in one new area this year — Psychology. In addition, our first doctoral candidates were awarded degrees this year. The Ph.D. is being offered in Biology, English, History, Microbiology and Mathematics (with options in Computer Science and Statistics).

Abave: Dr. James Oliver, Dean af the Graduate Schaal. *Right:* Gary Levy (center) and Rabert Yearby (graduate students) received the DeVezin Grant of $1,000 each. Chandler, William D. Reese, Ruby Tillery, and James A. Faret.

University College

The basic function of University College is to provide the opportunity for training of personnel from the business, professional and industrial community. Enrollment has grown from 225 students in 1965 to 1,200 as of the fall, 1970. The main contribution of the University College is being responsible for designing and implementing the basic format for the training of teachers and teacher aids in the Head Start Supplementary Training Program and the Career Opportunities Program. University College is currently conducting Federal Programs worth more than $258,531, including the USL Special Services for Disadvantaged Students Program.

Freshman Division

Not every University can boast of a special division designed to help freshmen to find their places in college life. USL can. Each undergraduate can tell of the assistance which he received from counselors and faculty advisors. They helped him to make his vocational choice and to feel a little less bewildered as a Freshman.

Left: Dr. Charles Coin and Jacob Kaehl welcome a freshmon student to USL.

College of Agriculture

The College of Agriculture attempts to develop men and women who will be farmers and homemakers, and thus to help to be the bulwark of society. The college also strives to produce educators and researchers. The departments include Animal Industry, Agricultural Engineering, General Agriculture, Plant Industry, and Vocational Agriculture Education. Two year curricula are offered in Pre-Forestry and Pre-Veterinary. U.S.L. takes pride in its farm, creamery, and greenhouses, which provide excellent experience for agriculture majors.

College of Commerce

The College of Commerce has a tradition of preparing students to become professionals in the business world and to develop the ability to deal with people in all circumstances. USL is proud of its business students who, after graduation, often operate their own businesses or are recruited by large and small firms from many other states. The College of Commerce attempts to help each student find a place in life.

College of Education

In commenting on education, Dean Green says, "The current cry from . . . our society is to make education 'relevant'; . . . to make education 'useful.' It seems that education's purpose should not only be to teach the individual to earn a living, but also to raise him up . . . to fulfillment of self. And, it is to this definition of relevance that education must re-dedicate itself."

There exists one body of expertly trained and selected persons to serve the university. These people render help in many special fields and in doing so make the university a viable body. STUDENT LIFE

Edited by: Anne Cottrell

The Year 1970-71 Began With Fall Registration

At the beginning of the semester we registered — for classes, for greeks, for cars, for religious centers, for I.D.'s, for post office boxes, for dorm rooms . . . It never seemed to end. Our feet were blistered and our tempers short and classes had yet to begin.

Below: Janice Herring, Pat Williams, and Sharon Simms registered for girl's rush. *Right:* Freddie Haydell paid his fall tuition fees during Early Registration. *Far Right:* Students waited in line for their registration packets.

Dorm Life Was Unforgettable for Co-eds

Life in a girls' dormitory was a unique and unforgettable experience which combined fun, frustrations, cramming, laundering, snacking, cooking, and interminable telephone calls. There were also dorm meetings, panty raids, parties, homecoming competition, intramural football games, AWS Christmas caroling, and friendships for a lifetime.

Far Upper Left: Caakie Martinez taak a shart nap between classes. *Extreme Center Left:* Judy Willis faund her raam the mast camfartable place ta study. *Far Center Left:* Gail Baulet and Thamas Harringtan enjayed the facilities af Denba labby. *Extreme Lawer Left:* Sign an ca-ed's daar. *Left:* Lanesame ca-eds resarted ta telephane dates. *Abave:* Janice Chenier and Glenda Guillary faùnd bicycles a necessary alternative ta walking.

Card games, arranging blind dates, rap sessions, etc., have always been a part of student life in men's dormitories. However, this year the boys added another extracurricular activity that interested and amused every student — panty raids on the girl's dorms during Homecoming week. But there were quiet moments, too, that could be spent reading, sleeping, talking, and even, every once in a while, a few minutes to devote to studying.

Belaw: Charles Safford hung his plunder from the panty raids in his raam in McCullagh. *Upper Right:* Jye Wang taok time out between classes ta read a newspaper. *Lower Right:* Playing cards after classes was anather papular pastime of students, as shown by Steve Fantenat and Glen Pierret. *Far Right:* Bud Cantrelle and Gentry McCauley once used their room to study.

Kangaroo Kourt Found All Defendants Guilty

Kangaroo Kourt sponsored by Circle K service organization was held this year in the Stu before a capacity crowd. Those summoned to appear in front of Judge Pat Rickles were students running for Freshman Representatives and others randomly picked. The accused were formally charged with their crimes, found guilty, and ordered to sit on eggs, sing with flags in their mouths, and play leap frog with pans of flour on their heads as punishment.

Smith Entertained

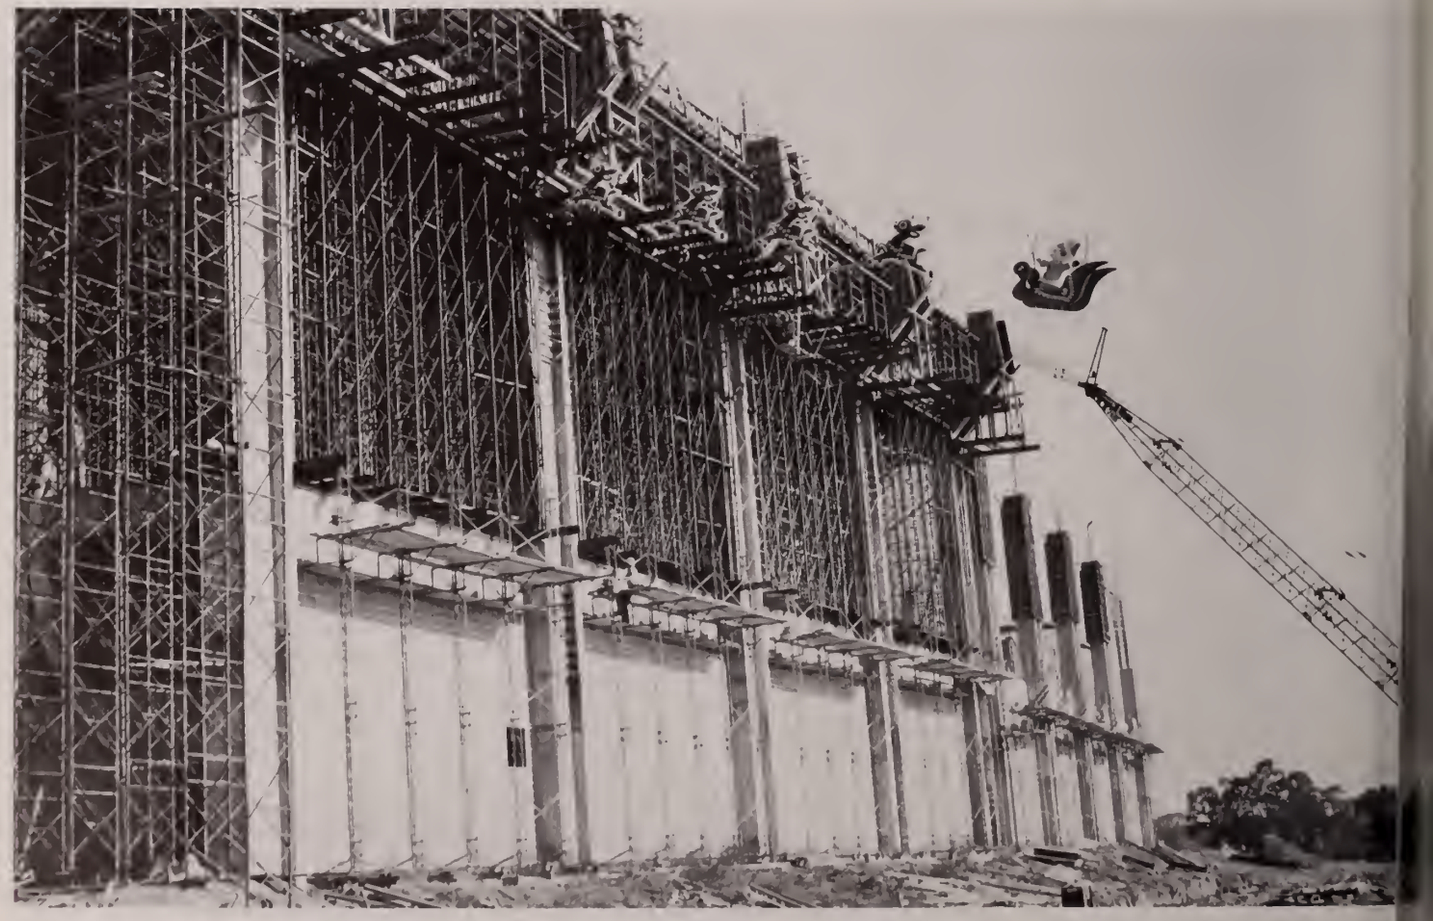

They were good; really good. But, she was better. With one year of singing through eight shows a week with the Los Angeles production of "Hair," Barbara McIntyre wailed herself right into the hearts of many students. The beverages were more than thirst quenching, the music was heavy and the good feeling was contagious.

Plans for New USL Union and Stadium Finally Materializ

Among the changes on our campus during 1970-71 was a fully equipped Ragin Cajun football stadium which, due to various delays, was not available for use this football season. We did, however, enjoy an elaborate new student union financed by assessing ourselves through tuition fees.

United for a Fun Filled Homecoming 1970

Our week began with the "Yell Like Hell" contest and a desperate attempt to finish decorations. The activities progressed with the parade, pep rally and two beer trucks that helped to raise our spirits even higher. The contest with Tampa, although we lost, proved to be one of the most exciting of the season and the perfect climax to a wonderful Homecoming.

The Christmas Spirit seemed to have entered every USL student this year as Christmas trees, Santa Claus, and carolers appeared everywhere. Each organization, circle of friends, and individual celebrated the holy season to the fullest.

USL Students Caught Up in the Christmas Spirit

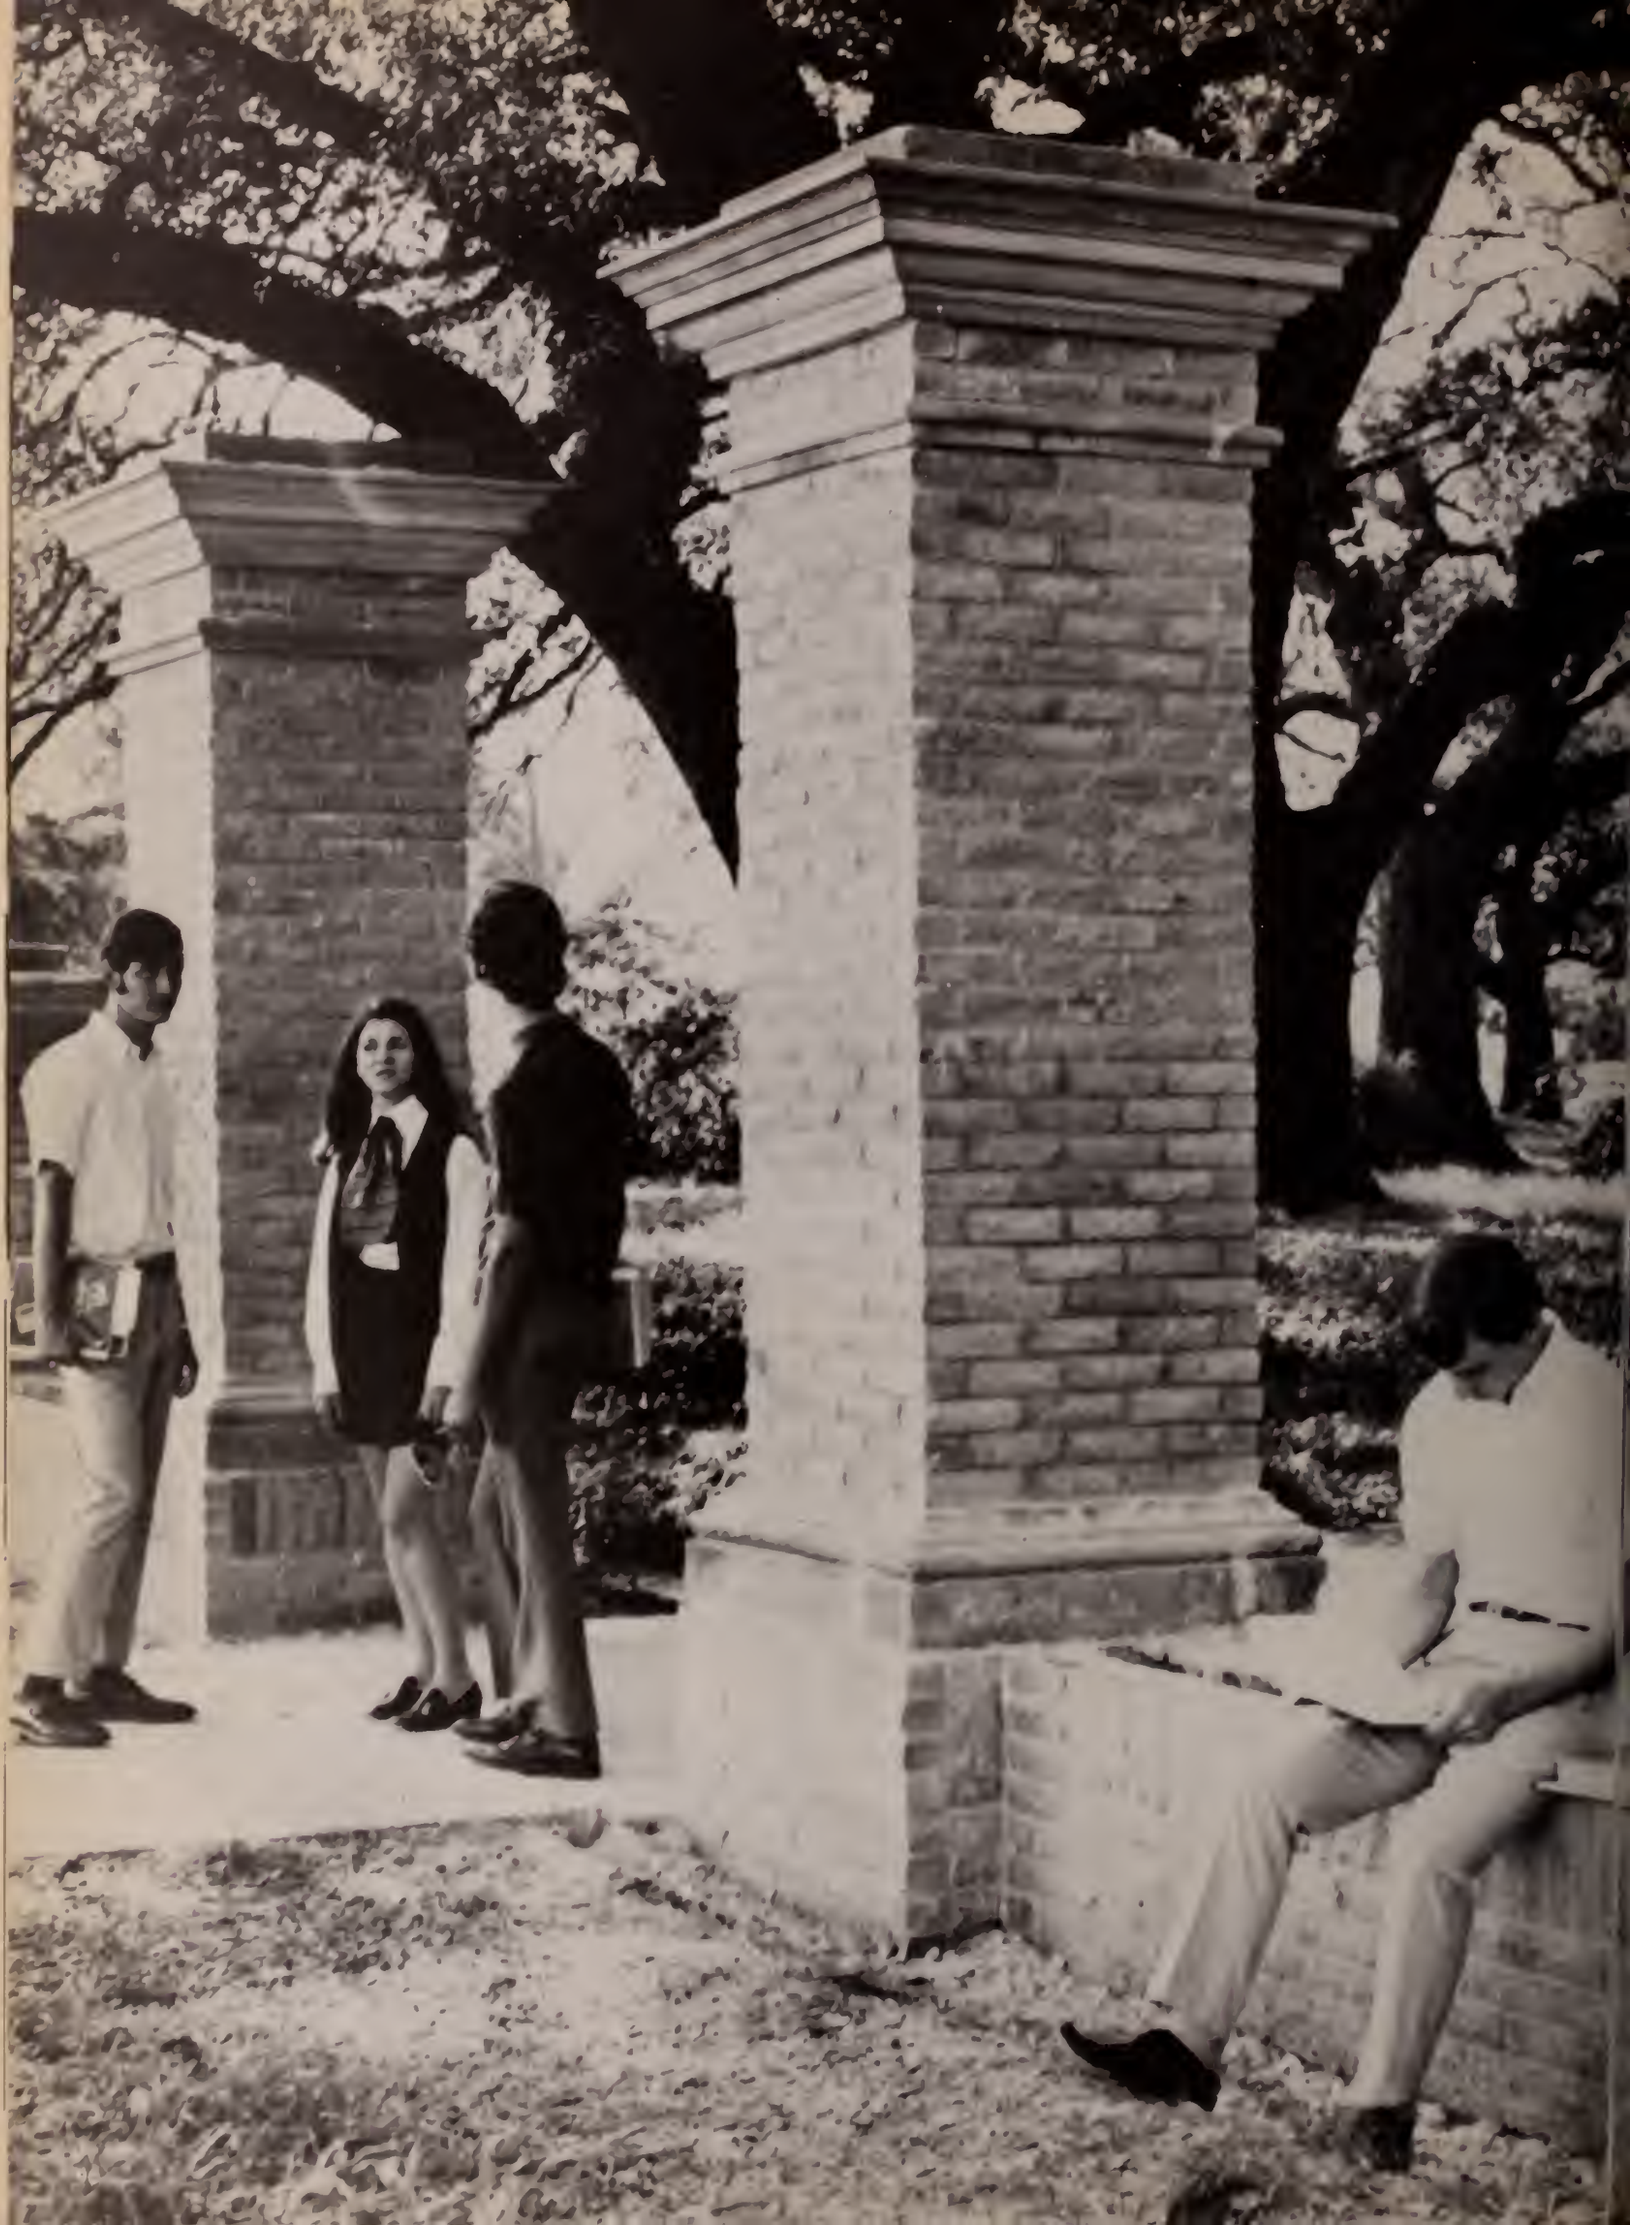

Students Made the Most of Their "Free" Hours

Whether at football games, a dance, the sleep-in, Greek functions, the ski trip to Aspen, or just a spontaneous party thrown together minutes before, USL students were noted for their ability to have the best times with the least amount of effort. They found enjoyment in almost anything that was involved with other people, and sometimes even used their free time on what might have been considered work until the others with them made it pleasure.

Student Union Replaced

There are always buildings on campus that seem to be institutions . . . buildings that have been part of the campus for innumerable years. And this longevity make their loss even sadder. Two such institutions at USL were the old Student Union and the Theta Xi house. The old Stu was replaced by a modern building and the Theta Xi house was destroyed by fire. The old Stu, however, will not be completely vacated for it will now be used for bowling, table tennis, and pool facilities. However, both of these buildings will hold memories for USL students.

Angel Flight Presented "Bulldog Blackouts"

The ninth annual "Bulldog Blackouts" presented by AFROTC Angel Flight was held in April in Angelle Hall. The program included ten acts, which were judged by USL faculty members from the dance, music, and speech departments; an intermission; and entertainment from the Arnold Air Society. Proceeds from the "Blackouts" went toward a scholarship program sponsored by the Angels.

USL Royalty Announced

USL has always been known for its beautiful co-eds, holding such past distinctions as Miss America and Miss Louisiana. This year the University was proud to claim President Rougeou and Miss Jeanine Maraist as King and Queen Cotton XVII for the Louisiana Cotton Festival. USL students and area businessmen also named university co-eds to other royalty as Bayou Classic Court, Engineering Queen, Agriculture Queen, and Commerce Queen.

KA

Greeks Gathered for Friendly Competition

Greek Week, held annually, is one week set aside during the spring semester for all Greek sororities and fraternities to join together in fun through friendly competition. Games such as the three-legged race, the egg-throwing contest, and a tug-of-war were held in the early part of the week and were followed by the highly competitive "Song Fest" on Thursday night. The week's festivities came to a close on Friday night with the Greek Ball, where Miss Erin Crawford reigned as Greek Goddess. Admission fees to the ball were children's toys, which were then donated to underprivileged children.

Aggie Day was a program of events sponsored by the Agriculture and Home Economics majors to promote interest in these departments. The day began with a breakfast to announce the new Aggie Queen, Miss Martha Logan. The breakfast was followed by a day full of competitive events such as whip cracking, egg pitching, cow milking, lamb dressing, and pie eating contests. The day came to a close with a banquet at which agriculture scholarships to needy students were announced.

in past years with the Unity Party putting its leading ticket in e
"Big Four" offices. There was only one opposing party, Un
Students, but several independent students also campaigne
work in government positions. The most important issues
cussed centered around rewriting the Constitution and tryin
unite the diverse talents of the students to create a more f
tional body.

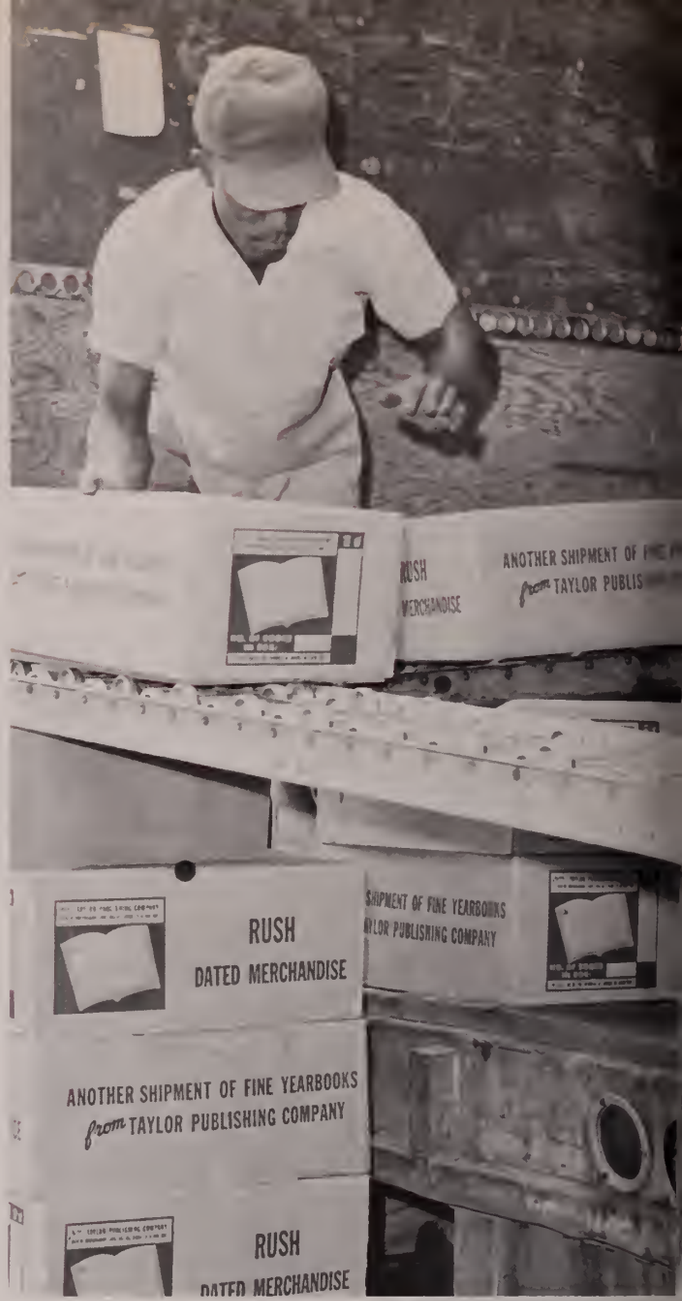

"L'Acadien" Distributed to Over 8,000 Students

Distribution of the 1970 *L'Acadien* began with a banquet at Jacob's to issue yearbooks to anxious staff members. The following week the staff, with the help of several campus service organizations, distributed some 8,000 books. Students could be found anywhere lost between the covers, finding themselves first, then friends, and finally the book itself, as a whole, from the beginning.

Graduation Exercises Held in USL Coliseum

Approximately 1,400 seniors filed onto the floor of Blackham Coliseum in May, 1970, to receive their diplomas. The commencement exercises included honored speakers, recognition of those men commissioned as officers in the Air Force, and announcements of the students with highest averages and special distinctions. For some, graduation was just another step toward more semesters at USL in Graduate School. But to others it was the culmination of years of study that now qualified them as leaders of tomorrow.

Students Left for Home

The end of May brought overdue term papers, cramming for finals, parties to forget the finals, and last minute rap sessions before USL students packed up for home. Just the thought of going home brought temporary relief in the minds of the students, until they realized they would soon be returning after an all too short summer to the papers and exams of Fall '71.

BEAUTIES

Roanne Was Named Miss University 1971

Every year the Miss University contest is sponsored by the *L'Acadien* staff in order to choose the co-ed who will represent USL as "Miss University." The contest is usually followed by a university dance, however this year the students found an empty stage, when the scheduled band "The Tams" did not show up. But the presentation went on as the students named Roanne Breazeale "Miss University."

FINE ARTS

A Synthesis of Talent Recreated a Musically Enchanting Wonderland

The Opera Guild production of "Camelot" contained a perfect example of the unity between the different arts at USL. To make "Camelot" possible, the Opera Guild required the assistance of members of the University Choir, the Dance Theatre Group, the Southwestern Players Association and people from the Lafayette community. Together, the different types of self-expression, whether it be dance, song, or speech, presented "Camelot" so that it was only up to the audience to complete the union.

The Sweetness of Song Soothed the Opera Guild Audiences Through 1970

The productions during the 1970 year were brilliant, as always, insofar as acting was concerned. However, the sensuously appealing colors in a fairyland-like structure of "Camelot," the suspense and humor within "Die Fleudermaus," and the precision of "Help, Help, the Globolinks," was uniquely appreciated by audiences. The Opera Guild has never failed to provide fine entertainment for the entire student body and citizens of Lafayette.

The Art of Drama Never Failed to Captivate the Attentive USL Audiences

It is apparent that the past year was one of achievement in perfection for the University Theatre. Each performance was unique in context and mood. In view of this variation in productions, each performer was given the opportunity to explore new methods of self-expression and rhetoric. The productions this year were, in chronological order, "Nicolo and Nicolette," "Romanoff and Juliette," "Luv," Shakespeare Readers Theatre and "Aria di Capo."

Originality of Movement Emphasized by Dancers

The Dance Theatre Group of USL presented two programs during the 1970 fiscal year. These performances consisted of a variation of works which were choreographed by majors in choreographic design in the School of Art and Architecture. The Dance Theatre Group presented "Theatre of the Imagination" in May, a suite of dances in December and were honored as guests by the Lake Charles Ballet Society's Annual Spring Concert last April. The groups also participated in "Help, Help, the Globolinks!" "Camelot," and "Die Flaudermaus." The Dance Theatre Group was under the direction of Mrs. Muriel Moreland.

Vocal Ability of Choir Was Greatly Appreciated

The fine blending of voices by the University Choir at its concerts accumulated much respect and appreciation from its audiences this year. However, the talent within the University Choir was not given to group concerts only. Their participation in play productions was badly needed to make the success of the productions possible. The University Choir participated in all of the Opera Guild productions during this past year and gave two group concerts. The choir is conducted by Willis Ducrest, director, School of Music.

Nothing But Praise Was Given to USL Symphony

The USL Symphony Orchestra presented two concerts during this past year which proved to be cultural, educational and entertaining. One concert was given in May and another in November, which featured soloists within the concert. The orchestra is composed of USL students, faculty, townspeople and advanced students from area high schools. Scholarships were available to USL students wishing to play with the orchestra. The Symphony Orchestra was conducted by Dr. James Burke, associate professor of music. The 1970 USL Symphony Orchestra is shown below.

Sweethearts Combined Service With a Unique Ability to Entertain

Few people realized that to be the entertaining dance group that they were; hours of organizational work and practice were put in by the girls. These young ladies would settle for nothing less than quality performances. The sweethearts also took part in activities of interest concerning the school as well as the community. They co-sponsored a Korean orphan. Their untiring efforts on and off the field were exemplified by their work and dedication towards making Southwestern number one in all its endeavors. Each time they performed regardless of where that performance might have taken place, they always represented not only USL but Lafayette and Acadiana as well.

USL Spirit Boosted

"RED! WHITE! BULLDOGS — FIGHT!" This was a common cheer done by the not-so-common USL cheerleaders. They demonstrated the Ragin' Cajun spirit that cheered the USL team to the Gulf State Conference Championship.

FIP FALL FLYERS
1970
A PROUD TRADITION

GREEKS

Edited by: Jane Barrios

Greeks Rushed Students

Fall Rush for sororities is very different from fraternity Rush at USL. In early September, girls moved into Agnes Edwards House for a week of meeting sorority members, attending parties, and being entertained with skits. The week ended for most with the invitation to pledge a sorority.

Boys' Rush, however, was more informal. Rushees attended open houses, smokers, and special Rush parties to help them with their decision affecting four years of brotherhood.

Above: Girls began their week af "rushing" when they moved into Agnes Edwards Hause. *Right:* Peggy Talley and Jean Fertita talked ta rushees abaut their sorority. *Below:* Members af Alpha Omicran Pi entertained rushees with their "Peter Pan" skit. *Upper right:* Bays registered ta attend the Kappa Sigma apen hause. *Center:* Maureen James anxiously waited ta receive her bid. *Far right:* Dean McPhaul gave a bid ta excited Phyllis Calvin.

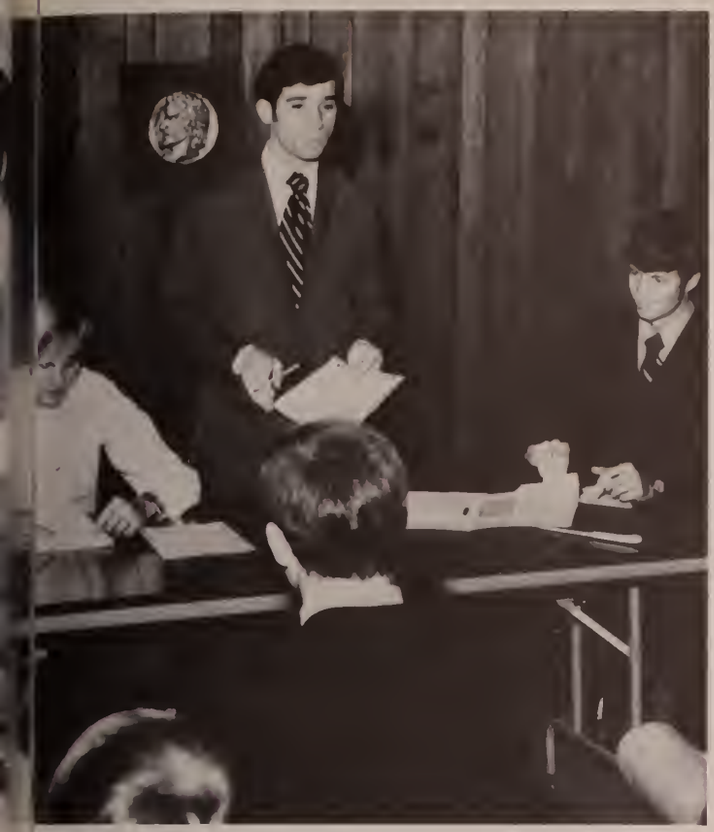

IFC and Panhellenic Governed All Greeks

The Inter-Fraternity Council and Panhellenic are the governing bodies of the thirteen social fraternities and nine sororities on campus. The councils coordinated Rush activities in the fall and spring, co-sponsored Greek week, and regulated other inter-activities such as intramurals amongst its members. Their aim was to keep pace with the changing concepts of the Greek system and to attain a higher degree of co-operativeness between all thirteen fraternities and nine sororities.

Greeks Showed Spirit

Sororities and Fraternities of USL moved into the year with Rush. A new crop of pledges added the needed spark to the Greeks' spirit. This spirit in USL, in partying, and in sports exploded during Homecoming. Then continued through the fall and increased in the Spring to include service projects for the community. Greeks were a recognized and respected part of USL in 1971.

Alpha Kappa Alpha Held Rush Party in the Fall

Epsilon Beta Chapter of Alpha Kappa Alpha celebrated its third year of existence on the USL campus this year. A fall Rush party increased the membership in this chapter by eight. These pledges, known as Ivies, aided the actives in fulfilling two service projects. They brought candy to the children of Charity Hospital on Halloween and distributed food baskets at Thanksgiving. Thus, they achieved their purpose, "to be of service to all mankind."

Alpha Omicron Pi Held Flipper Basketball Game

A new "Little Women" skit helped Alpha Omicron Pi begin the yeor with a most successful Rush. Work and determinotion provided steam for the AOPi Express to move AOPi into the Homecoming Sweepstokes bracket.

Next come the AOPi Flipper Basketball Gome, a successful attempt to involve others in their philonthropic project of eorning money for the Arthritis Foundotion.

Miss University Contest and Christmas Decoration Contest found AOPi claiming biggest trophies.

Alpha Sigma Alpha Had a Successful Year

The sisters of Alpha Sigma Alpha moved over everything in sorority life. Starting with Rush and pushing ahead to Quota, the sisters come out standing strong, heading for a successful year.

Halloween party for Number One. Wrapped in all around with football; cut that short with casualties.

Then headed into Homecoming, swept into sweepstakes — third place no less! Then watched the pledges win first with their Thanksgiving basket. And the Thanksgiving houseparty!

Then Christmas and houseparties and the February Charity Dance. And the sisters through it all.

Delta Delta Delta Encouraged Spirit

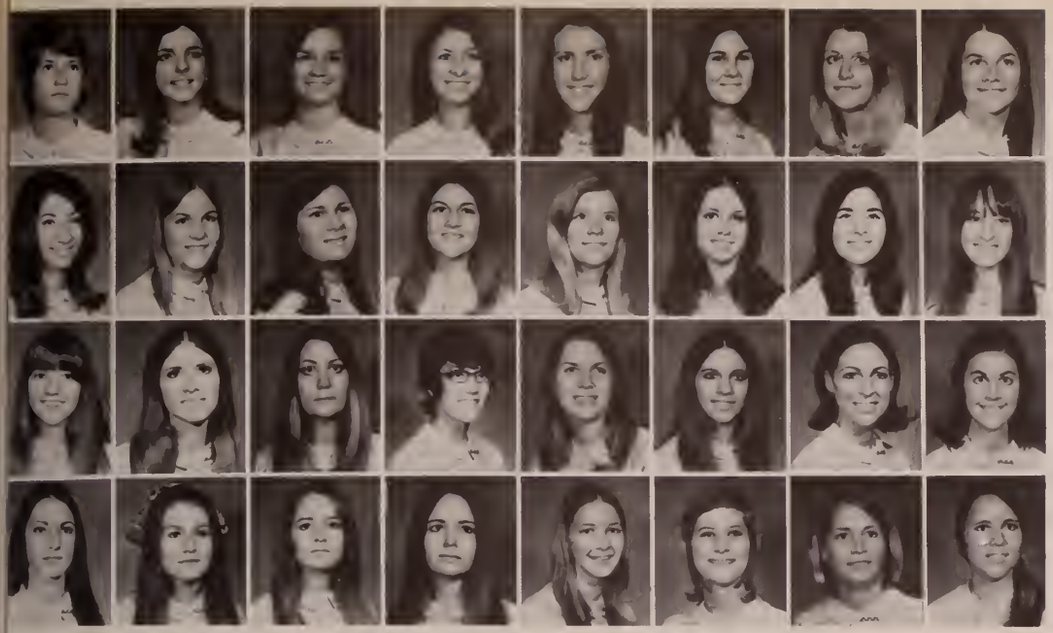

Carried sorority goals of Delta Delta Delta and spread them over USL. Carried sorority goals of Delta Delta Delta and spread them through 1970. Success was the answer.

And how were these goals carried for USL? Decorated the locker room before every game. Sponsored Yell-Like-Hell for Homecoming. Took home a second place trophy in decorations. And matched that spirit with participation in Panhellenic, in Student Union Committees, in Angel Flight, and Rotaract, and more.

Delta, Delta, Delta. Spirit.

Delta Zeta's Filled Year With Activities

Sisters of Delta Zeta began the year with Rush like other sororities. To make their year different, they added a Founder's Day banquet, Pumpkin Party, Big Sis-Lil' Sis week, Christmas party, Spring Rose formal, and a convention in Phoenix.

They filled it with lots of spirit, campaigning, beauty contests, candlelights, and house parties.

The year for Delta Zeta was rounded out with orphan support and trips to Carville,

Sigma Sigma Sigma Held Their First Sigma Spook

In addition to keeping alive a spirit of true sisterhood, Tri Sigma, the oldest national sorority on campus, actively engaged in all aspects of sorority life and several additional community service projects. This year Tri Sigma's began the undertaking of entertaining the elderly people at the Old Folk's Home. Also, for the first time, they sponsored Sigma Spook, a Halloween dance, in order to raise money for their National Charity Project.

Tri Sigma's held membership in other university organizations. They could boast of several queens, favorites, beauties, and one really good powderpuff football team.

Alphi Phi Alpha Showed Their Pride and Spirit

Alpha Phi Alpha — a Fraternity at USL since 1964. Zeta Xi chapter — one of over two hundred chapters.

The members were involved in projects including: Christmas, Thanksgiving and Easter baskets; supporting the National Negro College Fund; a Mother's Day Program; and Orphan's Day Project; Voter Registration Drives; and Tutoring Programs.

To be an Alphaman, one must be willing to extend himself and to share his time and talents. In return, he gets lasting brotherhood.

Delta Tau Delta Showed Their Spirit in All Sports

A new year brought the need for a new house for Delta Tau Delta. A new pledge class provided the manpower for this repair and improvement. Pride in this new house brought pride in this fraternity.

Pride was increased by activities which included increasing Christmas spirit around campus and around Lafayette. Their Christmas Tree Contest encouraged the campus organizations to decorate. To aid needy families they contributed toys to the Lion's Club Toy Drive.

Kappa Alpha Won First Place in Sweepstakes

The year for Kappa Alpha meant work and parties and competition. Their spirit and work during Homecoming earned them a first place trophy in sweepstakes.

New football uniforms brought attention to KA as the team won many of their games against other fraternities.

Several parties were also a part of the year for KA. They traveled to Bay St. Louis then back to the days of the Old South for a variety of parties.

All this made up the year for Kappa Alpha.

KappaSigmaBackedDogs

Kappa Sigma experienced one of its finest years ever. The Kappa Sigs had more parties than ever, averaging four a month. After a fine rush, Tony Moroux and Claude Rouchan coached the football team to an easy win in the fraternity division. A highlight of the year was a bus trip to Monroe for the USL-Northeast football game.

In December, the Kappa Sigs took time to collect for the Salvation Army. An annual service project that they have is entertaining the orphans.

Next year, the campus can expect bigger and better goals than ever before.

Lambda Chi Alpha Again Sponsored Charity Bowl

Lambda Chi Alpha — fourth largest fraternity in existence. Iota Omega Zeta chapter — largest fraternity at USL.

Lambda Chi was extremely active in on and off campus activities. One activity that they have made an annual event in Lafayette is the Charity Bowl. This year, the group donated $3,000 to two Lafayette charities.

On campus, Lambda Chi represented the fraternities in the campus football play-offs. The members are also involved in many campus organizations.

Phi Delta Theta Labored on Winning Decorations

Open 1970 for Phi Delta Theta. What to do to spread the Phi's into every phase of campus activity? How to open things up for the Brothers in the Bond?

Began with rush — hit double-figures and picked the prime of the pledges. Moved over to football; well, no one can win everything. Across to homecoming — got out with the spirit and picked up some merit. Phi Delta Theta moved at every spirit march and pep rally and yelled-like-hell. And came home with third in decorations.

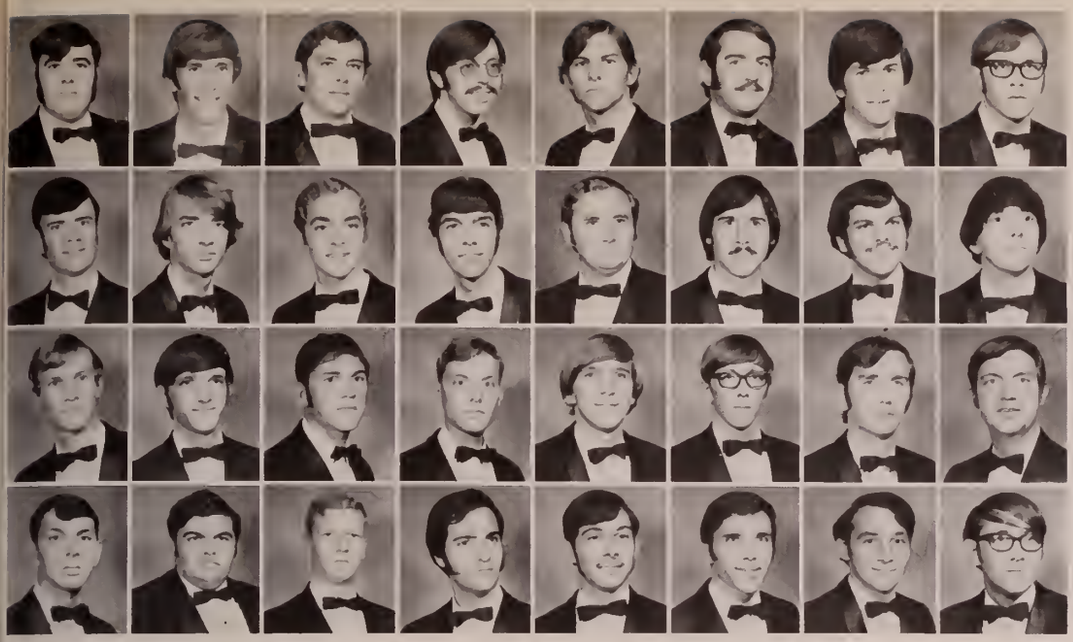

And showed what it means to reach out, to bring laughter to a group of orphans, to help out with collecting for the needy.

Phi Psi "500" Succeeded in Involving Students

To get involved and to get others involved was the objective of Phi Kappa Psi this year. The members participated in every sports event, contest, and spirit rally on campus. Their involvement in the AOPi Flipper Basketball Game resulted in their winning two first place trophies.

The first annual Phi Psi "500" was their solution to the problem of getting both Greeks and GDI's involved in a worthwhile project. The money earned from their event was given as scholarships to five USL girls.

Through their determination and work, the objective of Phi Kappa Psi was fulfilled.

Pi Kappa Alpha Worked to Gain Highest Average

A successful year started for Pi Kappa Alpha in the fall with the pledging of twenty-two. The next step was educating these pledges to become Pike actives.

With service projects including a Christmas party at St. Mary's orphanage and the financial backing of a Cub Scout Pack, the fraternity made itself known in Lafayette.

Pi Kappa Alpha has repeatedly been first scholastically over the other fraternities. And with its members in almost every campus organization, Pike also made itself known at USL.

The group easily fulfilled the qualifications of a social fraternity. With an average of four parties a month, they never suffered for lack of "spirit."

Sigma Alpha Epsilon Fought Road Builders

SAE members spent the beginning of the year fighting road builders to get to their new house on Johnston. This problem did not seem to harm their activities for the year, though.

Besides involvement in school functions, the brothers of Sigma Alpha Epsilon engaged in money-making and service projects. Their main service project this year was entertaining children in the Lafayette orphanage with a party at each major holiday.

Homecoming Precedent Established by Sigma Nu

Open the door for the new Sigma Nu house and the doors to a new year. And to a great year. Set "Honor" as the basis for a new pledge policy and the motivation for a new pledge class. And on to success.

Opened Homecoming '70 with memorial doubloons — floated them over USL and over the city; carried Homecoming over USL and over the city. And trophies for the new house — a parade trophy — a decorations trophy.

Carried Sigma Nu all over the campus. Success in intramurals. A moving social schedule. A soaring fraternity scholastic average. Success for Sigma Nu — everywhere.

Football Dominated Theta Xi Activities

The fall semester for Theta Xi centered around football. New pledges gained through Rush added strength to the outstanding Theta Xi football team. Winning most of their games entitled them to play in the finals of the fraternity league.

With their thoughts still turned to football, the Theta Xi's whole-heartedly backed the USL team to the extent of forming a car caravan to follow the team to a Monroe game.

The Dogs, in taking the crown, set a record breaking 19 points; they had held the previous record of 23 points and the lowest possible is 15 points. Arthur Botterill of USL took individual honors.

Dogs Had the Best Season Since 1921

This football season was one to go down in the USL record books. Among the Dogs' accomplishments this year were a magnificent 9-2 record and participation in the second annual Grantland-Rice Bowl. The Dogs also had an undefeated conference and four USL players were named to the GSC team of the decade.

The Dogs 9-2 record was the best posted since 1921, when the Dogs also had a 9-2 record, but one of the wins of the 1921 team was a forfeit so that many considered this the best record in USL history.

Dogs Opened With Loss

USL's 1970 season opened with a loss to Southern Mississippi, 14-16. The Dog defense was very strong but the offense failed to score twice from within the five.

The following week USL was host to Southeastern. In this game the offense made a better showing but USL's strength was still its defense, which allowed only six points in the 17-6 decision.

The Dog's next game was against the University of Tennessee at Chattanooga. In this road game the Dogs were able to come up with the winning combination in a hard fought battle ending with the score 24-20.

Dogs Defeated Doane's

After defeating the University of Tennessee, the Dogs came home to prepare for what everyone thought would be a tough game against Doane's College, but the Dogs were ready. The Dog defense was tougher than ever and did not allow the Tigers to score, while the offense was unbelievable. The final tally was 49-0.

With another win under their belts, the Bulldogs set their sights on Louisiana Tech. In this bitterly fought Conference game, USL again came out on top with a 20-10 decision. This win put USL in a tie with McNeese at 2-0 in Conference play.

USL Retained the Shoe

For their sixth game of the season the Bulldogs went to Arlington to play the University of Texas at Arlington. In this tough game the USL defense was again the difference. On five occasions the Bulldog defense stopped the Rebels inside the thirty yard line. Meanwhile, the offense scored four touchdowns for the 28-7 win.

In playing for the Sabine Shoe the Dogs played their worst game of the season but still came up with the win. The defense, usually tough, allowed 425 yards total offense. But the defense came up with the plays when needed and safety Mike McDonald came with three interceptions for the cause.

The following week USL went to Northeast for their homecoming, a televised game. The Dogs were able to defeat Northeast in an exciting 9-7 decision.

USL Took Gulf States Conference Crown

USL's Homecoming battle against Tampa was a tough-fought offensive battle. Tampa was greatly aided by the running of their tailback Leon McQuay. George Coussan repeatedly threw key passes for the Dogs. The game ended 50-38 Tampa.

The following game Coussan again was the big man as the Dogs beat Northwestern in a come-from-behind win. This win gave USL a 4-0 record in the conference and with Southeastern's defeat of McNeese cinched the GSC crown for the Dogs.

In their last game the Dogs defeated McNeese 13-7. This win gave the Bulldogs a 5-0 Conference record and earned them a bid to the Grantland-Rice Bowl.

Dogs Defeated in Bowl

In the Bulldogs' first Bowl appearance in twenty-five years, the Bulldogs met the powerful Tennessee State University. The Bulldogs, playing against a defense that far outweighed them, were plagued with mistakes they rarely made. However, even with the errors they made they were able to rack-up 25 points on four touchdowns.

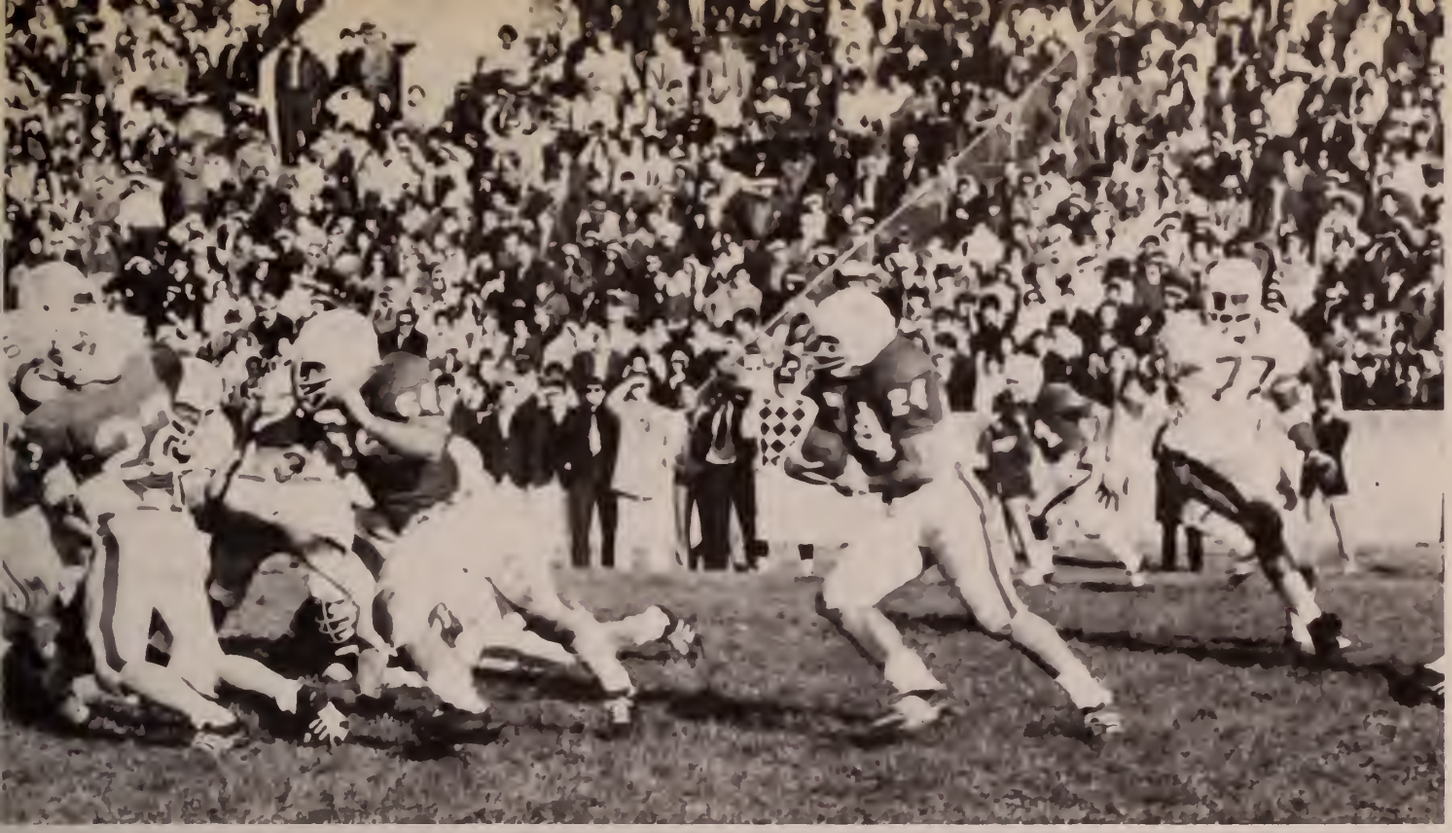

The Bulldogs' defense played as valiantly as they had all season and even with the eight turnovers they were able to hold their opponents to four touchdowns and 26 points. USL was defeated 26-25.

Trampolinist Won National Honors

1970 was a big year for the University Trampoline team. The list of conquests was impressive as a team as were the individual accomplishments.

As a team USL won all but one team title placing 3rd in the NCAA Championships. While winning the NAAU team title by a large margin, Wayne Miller took first place and Gary Smith 2nd in the individual trampoline competition. Gary and Don Waters teamed up to win the National Synchronized title of the AAU.

This trio of performers was selected to the National AAU All American team for '70 and Coach Jeff Hennessy was voted outstanding coach of the year.

Miller, Smith, and Waters went off to greater things by winning world titles in Bern, Switzerland. The individual title went to Miller and the synchronized title went to Smith and Waters. Coach Jeff Hennessy served as the USA team coach.

Bulldogs Took Bayou Classics

USL hosted Oklahoma State, the University of Conneticut, and Yale in the tenth annual Bayou Holiday Classic.

In the first game Oklahoma State took on the University of Connecticut. Oklahoma State was able to come up with the win by making 29 of 54 field goal attempts and 80 points, while University of Connecticut scored on only 23 of 78 and 71 points.

In the second game USL took on Yale. USL trailed through most of the game due to the fine defensive playing of the Yale squad. USL won the game with 2 seconds left, when Dwight Lamar sank a 25 foot shot.

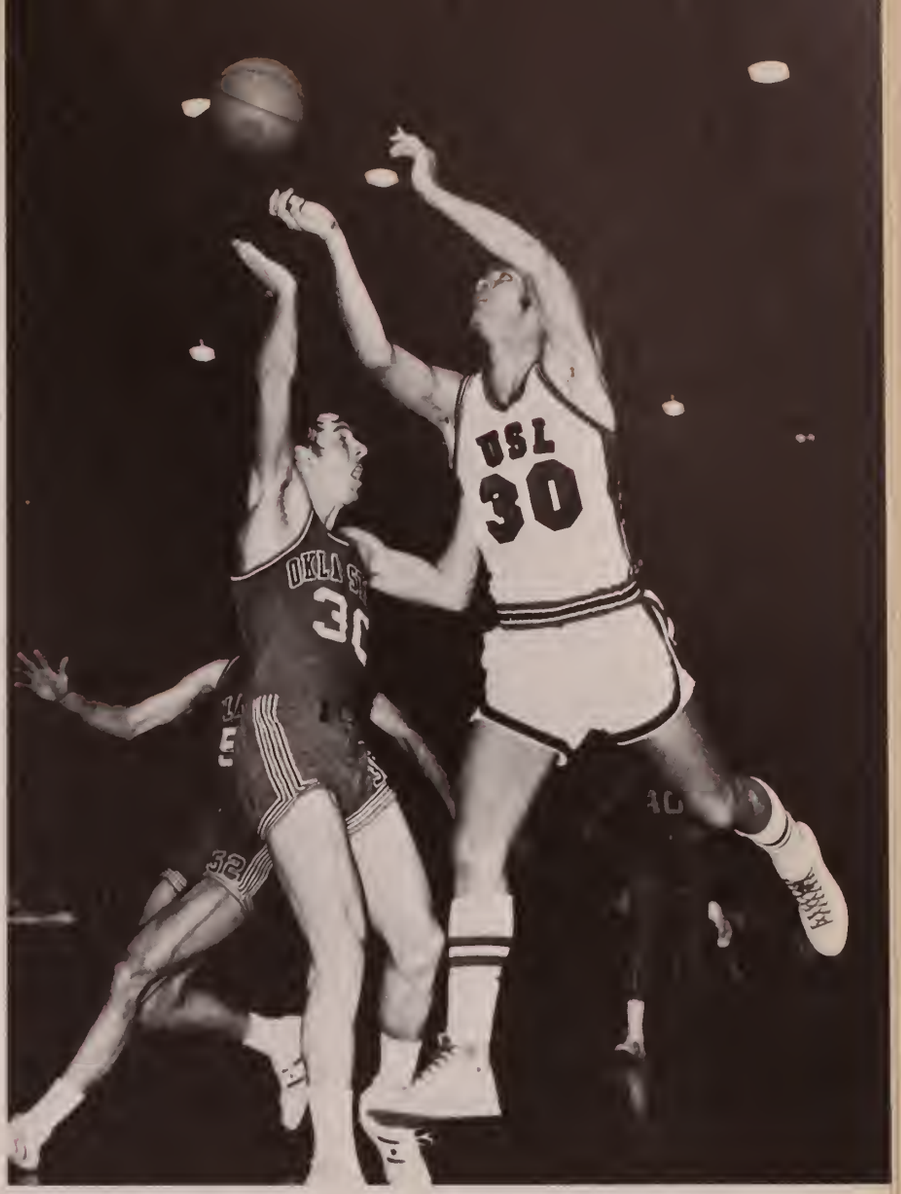

USL defeated Oklahoma State in the final game. During this game Lamar set a new school record of 46 points, which was also a new single game record for the Classic, as USL collected 88 points to Oklahoma State's 71.

Bulldogs Tamed Savages

A "savage" is a person that "attacks or treats one violently."

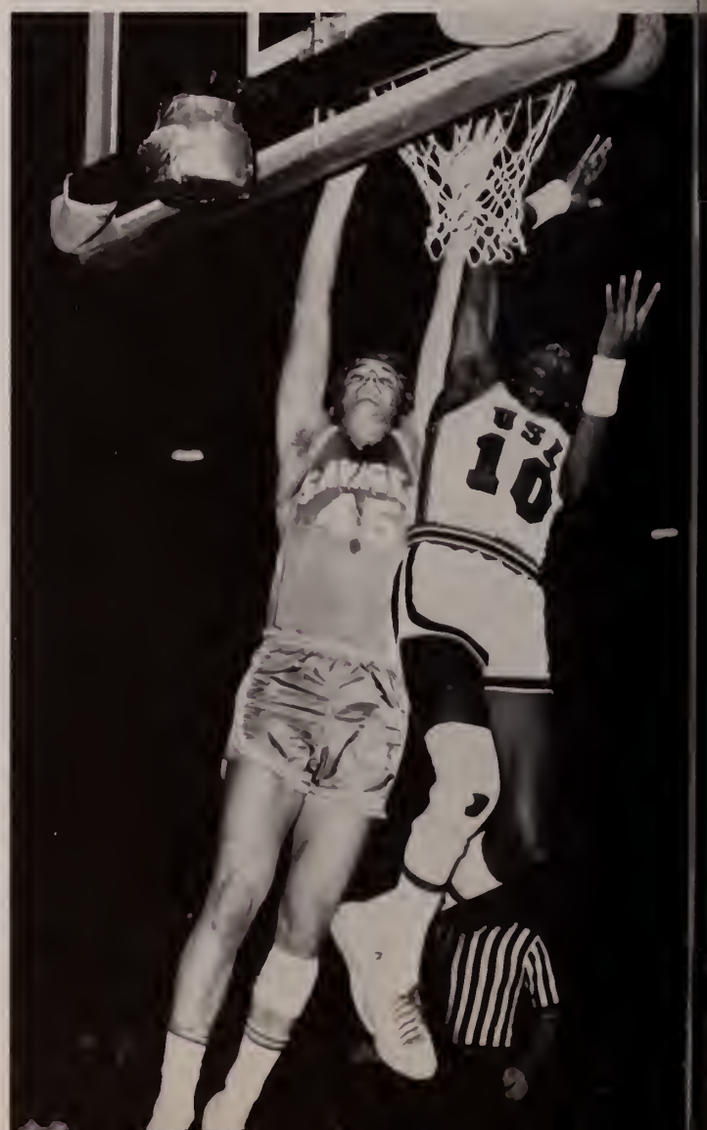

The Southeastern Oklahoma College Savages were "pussy cats," when attempting to confront the Southwestern Bulldogs. Instead of attacking, the Savages slowed down the game to a slow walk by controlling the ball for a minute at times. The Bulldogs adjusted to the slow pace and won the basketball game 92-42.

The scoring attack was led by Dwight Lamar with 38 points, Payton Townsend with 13 and Fred Saunders hit for 10 points.

Bulldogs Set New School Record

The USL Bulldogs won their fifth straight basketball game to tie a school record by defeating the Southeastern Louisiana University Lions 111-83. The record was held by the 1967-68 team before bowing to Evansville, Ind.

The Bulldogs were having another one of their hot nights with Dwight Lamar netting 31 points, Paytown Townsend had 27 points and Frank Kluz and Roy Ebron had 18 and 17 points, respectively. The Bulldogs attempted 84 field goals and notched 48 of them for a game shooting percentage of 47.1.

Dogs Winning Streak Stopped at Eleven

After setting a new school record for the most consecutive games won at the opening of the season, the USL Bulldogs extended the new record to eleven games. At this point the Canines were defeated by the strong Baylor Bears. Payton Townsend was injured near the end of the game as the Dogs lost 93-90.

The next week the Dogs met the 1970 Co-Champions, La. Tech. The Dogs were at a great disadvantage, playing with three players on the injured list. The three members out on injuries were Payton Townsend, Wilbert Laftlin and Fred Saunders. USL lost, giving us an 11-2 record.

USL Hosted NCAA Play-offs

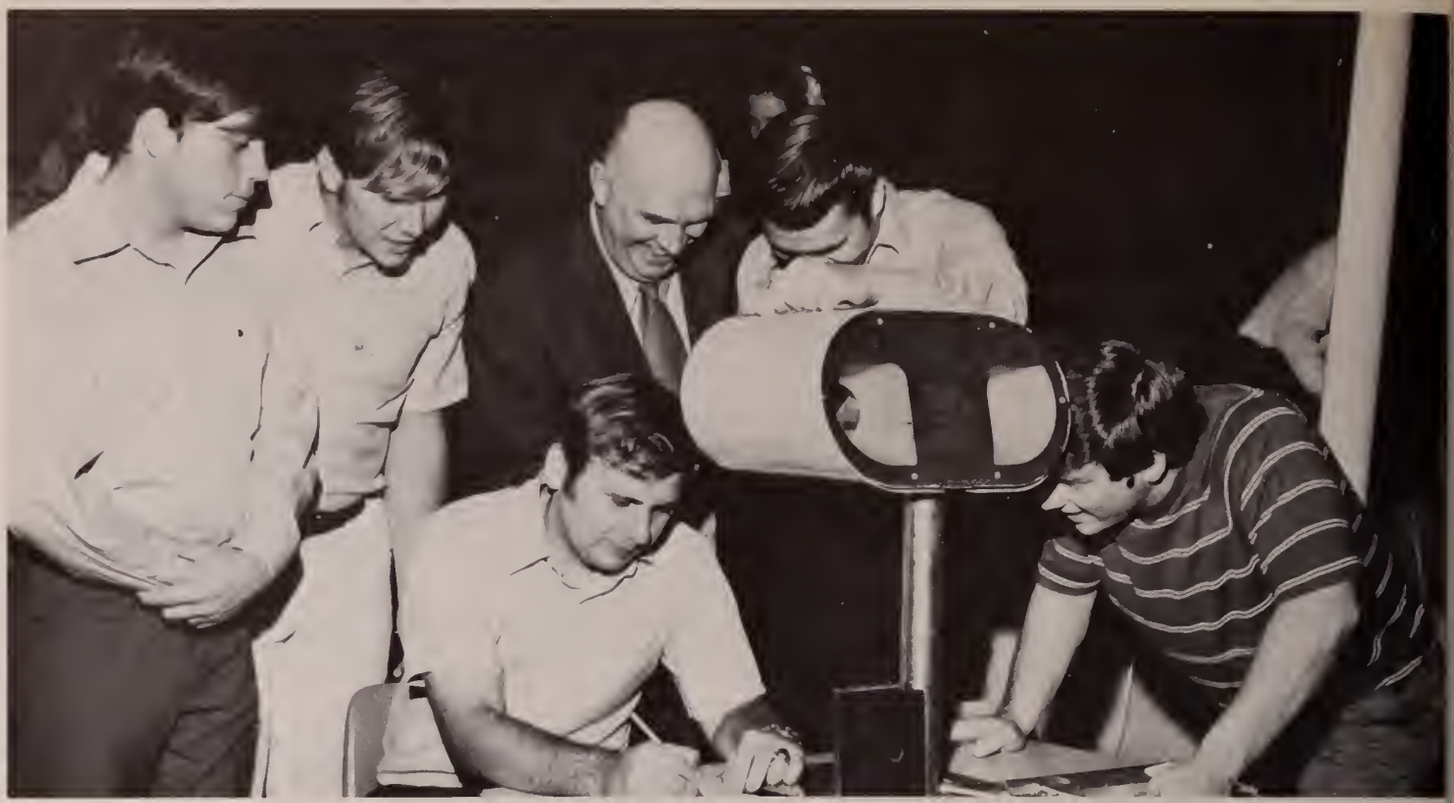

After their two losses the Bulldogs bounced back and picked up another six wins. The Dogs lost a heartbreaker to Northeast. This loss gave USL its second GSC loss and meant the loss of the GSC crown to La. Tech. The Dogs did; however, defeat both Northeast and La. Tech in the return matches and ended regular season play with a 21-3 record.

After completing its regular season play, USL hosted the Regional NCAA College play-offs. Other participants were LSUNO, La. Tech, and Tennessee State. In the first game La. Tech took on Tennessee State in an evenly matched game. Tennessee State won the game by scoring two points on foul shots after the final buzzer of overtime. In the second game USL was able to defeat LSUNO by using its depth in tiring the New Orleans squad. Then USL was able to conquer Tennessee State.

In the quarter finals the Canines met Assumption, the UPI number one-ranked team. Led by Bo Lamar, who had over 40 points, USL conquered Assumption's tough well disciplined squad and moved into the semi-finals where they lost to the hosting team, Evansville. The Dogs bested Kentucky Wesleyan in the consolation game and ended the season with a 25-4 record.

Keglers Ended With a Tremendous Season

Although the bowler's season was just well underway at the time of publication it was clear that the team, although small in number, was as strong as ever. At that time the keglers had participated in ten matches, emerging as the better team in each case. They also placed second in the College Unions Tournament held at Arkansas State and they were looking forward to a truly outstanding year.

USL Track Team Again Broke Records

The most amazing performance during the 1970 season was that of USL high jumper Jackie Causie. Causie, an All-American who had set new records in both indoor and outdoor competition in 1969, broke his own records by setting a new indoor record of 7-3 and an outdoor record of 7-0.

Other new records set were the distance medley by Aaron Thompson, Terry Carney, Tom Hopkins, and Arthur Botterill at 9:55.7, the mile run by Arthur Botterill with a 4:03.3 performance and the 120 yard high hurdles by Johnny McKissic with 14.0. Aaron Thompson also tied the 100 yard dash record at 9.6.

Tennis Tried to Improve in 1971

USL's tennis team has worked hard to try to improve over its 1970 season, when it tied for fourth place honors in the GSC conference race. In 1970 USL was only able to capture 5 wins in its 12 outings. They did make a better showing in the 1970 GSC Championship Tournament and were able to earn 6 points. These 6 points added to what they earned during regular season play gave them a fourth place tie with Northeast State.

Baseball Had Best Season Since 1952

Coach Bob Banna, 1970 GSC Baseball Coach of the Year, led the USL baseball team to the school's best record (26-15) since 1952, and kept the Bulldogs in contention for the GSC title until the final game of the season. The team finished with a 15-9 GSC record. The USL team also set a new GSC record with a 12 game winning streak.

Baseball Produced Two All-GSC Players

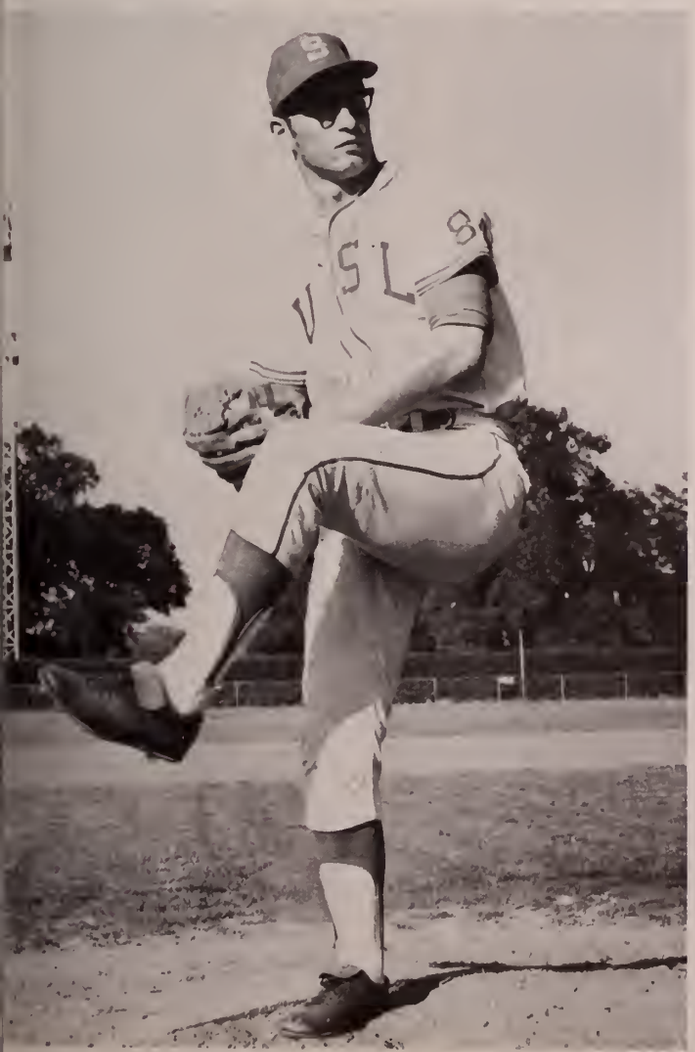

USL's 1970 baseball team had two of its members named to the All-GSC team. These two were Al Torregano and Charles Bordes. Al was a freshman catcher who posted the third highest GSC batting average with .354. He set a new school record for total bases, 73, including 5 doubles, 5 triples, and 4 homers. He also had a .988 fielding average. Charles won All-GSC honors at his shortstop position. He was the 1970 GSC batting champion with an unbelievable .377 and had a total of 58 bases on 7 doubles, 1 triple, and 1 homer. He had a .966 fielding percentage and is likely to be nominated as a Little All-America candidate in 1971.

Weight Men Claimed 8th National Title

The 1971 USL Weightlifting Team began its season as strong, if not stronger, than the 1970 team. Although the team lost one of its members who helped win the 1970 National Collegiate Championship by placing fifth in his weight class, it gained a Freshman who held the National High School Title in the 112 pound class.

USL's three veteran lifters all placed first in the 1970 National Collegiate Championships. Members of the USL 1971 Weightlifting Team are James Craig, 112 lbs.; Randy Peloquin, 123 lbs.; Bill LeBlanc, 132 lbs.; Wayne Vinizzi, 148 lbs.

Intramural Department Held Organized Events

USL Intramurals held events in three categories, team, dual and individual for USL students, faculty, and staff. Competition was divided into three leagues; the dormitory, fraternity, and independent leagues.

Some of the events offered were football, bowling, basketball, volleyball, softball, tennis, table tennis, golf, horseshoes, archery, handball and nine other sports.

Intramurals Offered Check-out Service

A supply room was maintained in the Men's Gym. Items of sports equipment was available for check-out purposes. Students, faculty, and staff members were all eligible to check out equipment. Besides the equipment at the check-out office, the intramural also had facilities available for use. Among these were tennis courts, softball and football fields, a cinder track and facilities for basketball, weightlifting, gymnastics, and wrestling.

WRA Provided Many Recreational Activities

The purposes of the Women's Recreational Association are to provide leisure activities, promote physical fitness and to teach new skills. During the past year it has done this through games. The WRA has sponsored such activities as flag football; volleyball, table tennis, bowling, softball, and others. These supervised gatherings encourage fellowship, team cooperation, and individual participation. It has also sponsored activities of special interest such as the gun club, where girls learned the proper methods of handling guns.

The 1971 L'Acadien has been put to bed. It's done and we're expected to write the closing remarks. With reflections and thank-yous, there are miles to go before we sleep.

We came into this co-editorship with mixed emotions. The planning and organizing of this book was led by Carol Broussard who was Editor during the summer deciding sessions. After spending days deciding on Unity as a theme, red as the color, the need for more pages, more color, and more information, we thought the worst was over.

That was only a sample of what was to come. When Carol left school, we took over as Co-Editors. From that moment on, the book was destined to be completely altered; nothing was to remain the same.

Plans of working nine hours a week were soon abanonded. It was apparent that we had accepted a job that would require much more; classes would have to be worked in when possible, studying would begin with the sunrise.

We'll never know how it happened, but the class section was in. Now it had to be downhill all the way. It was . . . almost. We did have to struggle over a small bump every so often. At times it seemed as though we were fighting all of USL, when we talked, explained, complained. We had to prove to people that this yearbook was the best and that we had given it our best. Hardest of all, we had to prove it to ourselves.

Now to the part where we say thank you . . . to Asst. Editor B. G. Harris and especially Editor Carol Broussard who thought and worked during the planning stages . . . to William Hoffpauir, Ginger O'Fleurity, Candy Kraft, Mary Ellen Guillot, Barney Vermillion, Otis Hebert and Bucky Jones who seemed to be there, when we needed you most . . . to Carol Martino who fought with the index . . . to the secretarial students who typed the endless pages of names for the classes section . . . to our photographer Mr. John Stephan for his excellent quality pictures and other photographers Kermit Boullion and Don Pease . . . to Asst. Editors Debbie Duplechin, Phil Amy, and Gary Kidder for never missing a deadline . . . to our faithful Taylor representative Mr. Fred Elsing for always coming to Lafayette when we sent desperate letters. A special thanks to Kathy Shoemake and Carrol Marks the only two Asst. Editors to work from the planning to the mailing of our publication. Miss Mario Mamalakis, our faculty advisor, has to be thanked separately for it is she who had to convince us, teach us, encourage us, and save us.

There are many more responsible for this publication . . . the countless who helped us . . . thank you.

We began with mixed emotion. We end with the same caused now by the knowledge that there are no more deadlines hanging over our heads. We can stop running, calling, writing for now we have time . . . time to sleep, study, go out and get bombed. We feel a sense of ecstatic relief but there is also an empty feeling, a feeling of uselessness, like there is nothing to do. It's just that we need deadlines over our heads to feel comfortable . . .

Peace through unity,
